### **Policy on Insurance Reimbursement:**

If you have medical Insurance that provides coverage for mental health counseling, we want to help you receive your maximum allowable benefits, however, it is your responsibility to pay for services at the time of service and then work with your insurance company for any reimbursement.

We will be happy to help you process your insurance claim form for your reimbursement. A completed insurance form must accompany any such request at each visit. You are responsible for mailing it to the insurance company and tracking your reimbursement.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance. You must realize, however, that:

- 1. Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
- 2. Our fees are generally considered to fall within the acceptable range by most companies, called "Usual, Customary and Reasonable" (UCR).
  - Some companies pay a percentage of the UCR for a given area. However, some companies reimburse based on an arbitrary "schedule" of fees, which bears no relationship to the current standard and cost of care in this area.
- 3. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.
- 4. If your company requests a report from us in order to process your claim, we will need to receive our normal hourly fee from you for this service.
- 5. I am financially responsible for this treatment and for any portion of the fees not reimbursed or covered by my health insurance.

If you have any questions about our financial policy please do not hesitate to ask us. We are here to help you.
